The Honorable Charles L. A. Terreni
Chief Clerk/Administrator
Public Service Commission of South Carolina
Columbia, South Carolina 29211

Dear Mr. Terreni:

Pursuant to S.C. Code Ann. §58-9-576, AT&T South Carolina respectfully submits the following tariff page for filing with the Public Service Commission of South Carolina:

General Subscriber Service Tariff

Section A3 - 11th Revised Page 1

This tariff filing increases the prices for flat-rate local exchange residential service (which have not increased in more than two decades) and the prices for ISDN-Residential Service (which have not increased in more than a decade).

As clarification, 11th Revised Page 1 reflects the new prices for flat-rate local exchange residential service. This revised tariff page, however, has the effect of revising prices for ISDN-Residential Service because customers with this service pay the "month-to-month" rate set forth in Sections A.42 and A.142 of AT&T South Carolina's Tariff in addition to "[t]he appropriate flat rate schedule in Section A3 of this Tariff" See AT&T South Carolina General Subscriber Service Tariff §A42.2.4.B.2.a.(1).(b), Note 1 and §A142.2.2.B.2.a.(1).(a), Note 1.

AT&T South Carolina is allowed to adjust prices for flat-rate local exchange residential service pursuant to the Gross Domestic Product-Price Index ("GDP-PI"), which is the inflation-based index the Commission adopted in Docket No. 2002-408-C. See S.C. Code Ann. §58-9-576(B)(4). Exhibit A to this tariff filing reflects a 2.74% increase in the GDP-PI from second quarter 2006 (116.350) to second quarter 2007 (119.538).

AT&T reserves its right to consider the cumulative change in the GDP-PI since it began operating pursuant to Section 58-9-576, as well as the \$1.00 reduction in the monthly price for flat-rate local exchange residential service pursuant to prior settlement agreements with the

Consumer Advocate, in future filings adjusting prices for flat-rate local exchange residential service. In this filing, however, AT&T South Carolina is not increasing the price of any service by more than 2.74%. The price adjustments reflected in this tariff filing, therefore, clearly are in compliance with applicable law.

Finally, the Company respectfully submits an explanation of this filing in the attached "Sample Notice of Filing," which is based on the document posted on the Commission's website. Although it is not clear that such a Notice is required for tariff filings, like this one, that are subject to the alternative regulation provisions of Section 58-9-576, AT&T South Carolina hopes the attached Notice will be useful to the Commission.

Yours very truly,

A handwritten signature in black ink, appearing to read "Cindy Cox". The signature is fluid and cursive, with the first name "Cindy" and last name "Cox" clearly distinguishable.

PROPOSED NOTICE OF FILING

BRIEF DESCRIPTION OF THE PLEADING (*Relief the Company is Seeking from the Commission*):

AT&T South Carolina is not filing a pleading or seeking relief from the Commission. Instead, AT&T South Carolina is making a tariff filing that changes prices for residence service, as allowed by Section 58-9-576 of the South Carolina Code. The price for flat rate residence local exchange service and ISDN are being increased. The price for flat rate residence local exchange service has not increased since January 1985, while the price for ISDN has not been increased since the service was introduced in 1995.

STATUTORY OR OTHER LEGAL AUTHORITY UNDER WHICH PLEADING IS FILED:

AT&T South Carolina is making this tariff filing pursuant to S.C. Code Ann. §58-9-576. This tariff filing is presumed valid and becomes effective seven days after filing for price decreases and fourteen days after filing for price increases. *See* S.C. Code Ann. §58-9-576(B)(6).

IF THE PLEADING IS A RATE CASE AFFECTING THE GENERAL BODY OF SUBSCRIBERS, LIST ALL CURRENT AND PROPOSED RATES AND ANY OTHER CHANGES TO THE COMPANY'S TARIFF CURRENTLY ON FILE WITH THE COMMISSION:

AT&T South Carolina's tariff filing is not a rate case, but in an attempt to assist the Commission, AT&T South Carolina states that, this filing increases the price for flat rate residence and ISDN local exchange service.

By statute, AT&T South Carolina is allowed to adjust prices for flat-rate local exchange residential service pursuant to the inflation-based index the Commission adopted in Docket No. 2002-408-C (the Gross Domestic Product-Price Index). The price adjustments reflected in this tariff filing are permitted by this statute.

A notice has been included in bills starting in September and ending in October advising customers of the new prices. The new prices will be effective beginning October 15, 2007.

A3. BASIC LOCAL EXCHANGE SERVICE

A3.1 General

- A. Basic local exchange service is comprised of exchange access lines defined as follows: (T)
Exchange Access Line - The serving central office line equipment and all Company plant facilities up to the demarcation point. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for message toll service and for local calling appropriate to the tariffed use offering selected by the customer.
- B. Exchange access lines are subject to the nonrecurring charges specified in Section A4. (T)
- C. Rates for basic local exchange service are related to the total number of exchange access lines and PBX trunks in the local calling area.
- D. Customers subscribing to a total of 1000 or more PBX trunks or Network Access Registers (NARs), aggregated on a statewide basis, will receive a ten percent discount on the monthly recurring rates for these services and on any billed local usage associated with these PBX trunks or NARs. Service furnished under the Sharing and Resale of Basic Local Exchange Service offering will be excluded. Customer accounts will be reviewed annually to determine eligibility for the discount.
- E. Base Rate Areas, Zone Rate Areas and Exchange Service Areas for each exchange are identified on maps filed as a supplement to this Tariff.
- F. Rate Group Definition
